## **"Marquette Celebrates Women in Engineering"**

**10.14.09 9am-230pm Raynor Library**

We are inviting female juniors and seniors from area high schools to Marquette for presentations and workshops on engineering. The goal is to present engineering as a great career choice for young women, as well as to motivate and inspire them to become engineers. They will participate in engineering hands-on workshops conducted by Marquette Engineering staff, students and alumni. A teacher, counselor, or administrator from each school will accompany the students. Celeste Baine, Director of the Engineering Education Service Center and a nationally known figure in engineering education, will provide the keynote address and assist in the workshops. There will be no charge to the students.

*Students must meet the following requirements: a) cumulative GPA of 3.0 or better (4-point scale); b) completion or concurrent enrollment in algebra- or calculus-based physics; c) recommendations of a teacher and school administrator.*
